CONTINUING EDUCATION

EDUCATIONAL OBJECTIVES

At the conclusion of this activity, participants should be better able to:

- Identify key pediatric illnesses or symptoms caused or exacerbated by exposure to environmental toxicants
- Discuss the special vulnerabilities of children to environmental toxicants
- Explain the importance of an environmental exposure history
- Take a comprehensive environmental exposure history
- Get reimbursed for obtaining an exposure history and for diagnosing and/or treating environmentally related illnesses
- Make appropriate referrals for exposure assessment, assistance, and/or intervention, especially in the Houston-Galveston region
- Describe the CDC's Environmental Public Health Tracking Network and its goals
- List strategies for advocating on behalf of children's environmental health

TARGET AUDIENCES

- Houston-area pediatricians, nurses, public health workers, and physicians and nurses in training
- Educators, representatives of social services agencies, and interested community members

EDUCATIONAL METHODS

- Lectures
- Syllabus
- Question-and-answer sessions
- Audiovisual aids
- Case presentations

EVALUATION

A post-symposium evaluation instrument will address program content, presentations, and possible bias.

ACCREDITATION & CREDIT DESIGNATION

Physicians

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Texas Academy of Family Physicians and Baylor College of Medicine.

The Texas Academy of Family Physicians is accredited by the ACCME to provide continuing medical education for physicians. The Texas Academy of Family Physicians designates this educational activity for a maximum of 2.5 hours in category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Nurses

3.6 Type I CNE contact hours available to nurses. The Texas Nursing Association is an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity meets Type I criteria for mandatory continuing education requirements toward relicensure as established by the Board of Nurse Examiners for the State of Texas.

Social Workers

This program has been approved for 0.25 CEUs by the Graduate School of Social Work at the University of Houston. Hours are also acceptable for LPCs and LMFTs.

- Faculty, topics, program schedule, and continuing education credit are subject to change.
- The Texas Academy of Family Physicians adheres to the ACCME standards regarding industry support of CME and disclosure of faculty and commercial support relationships, if any, will be made known at the conference. As part of the ACCME Standards for Commercial Support, all members of the planning committee have completed conflict of interest forms. No members of the committee have any conflicts of interest in regards to this program.

CONFERENCE INFORMATION

Conference Location and Accommodations

Crowne Plaza Houston Medical Center Hotel
6701 South Main Street
Houston, TX 77030
Phone: 713.797.1110

Accommodations should be arranged directly with the Crowne Plaza Houston Medical Center Hotel. Please identify yourself as with the Baylor Pediatric Environmental Health Symposium to benefit from the special group rate (\$84.00 single/double). Accommodations are subject to availability.

Registration Information

Early registration is encouraged as space is limited. Registration materials **MUST BE** received by noon, Thursday, June 16, 2005, to guarantee your place. Your registration will not be processed until payment is received. All registrations will be confirmed. If you have not received confirmation at least 3 days before the activity start date, contact the Chronic Disease Prevention and Control Research Center at 713.798.2223. If you plan to register on-site, please contact us as early as possible so that we can accommodate you. Requests for refunds of the registra-

tion fee must be received by noon, June 16, 2005. The Chronic Disease Prevention and Control Research Center reserves the right to cancel the activity, not less than 10 days before the scheduled date, if extenuating circumstances make it necessary. Registrants will be notified at the contact number on their registration form, followed by written notification. If this should occur, our liability is limited to the registration fee, which will be refunded.
